

Margaretha Gravett Inducted to Board of United Way of Northern Westchester

Margaretha Gravett, a resident of Cross River and founding partner of Gravett & Gravett, a family and matrimonial law firm, was inducted as a member of the board of the United Way of Northern Westchester earlier this month.

As a member of the Board, Gravett will raise funds for United Way, foster relationships with community members to build volunteerism, and participate in community presence events.

Gravett is eager to begin her work with the Board: "I am thrilled to take an active role in such a prestigious organization," said Margaretha. "I look forward to giving back to the community and helping foster the success of the United Way's unique and life-changing initiatives."
